DETAILED ACTION

•

Allowable Subject Matter

1. Claim 20 is allowed.
2. The following is an examiner's statement of reasons for allowance:

The prior art fails to disclose a method of manufacturing a radiation imaging apparatus, the radiation imaging apparatus comprising a plurality of imaging elements each comprising a plurality of pixels and an external terminal, wherein a lead constituting the external terminal extends to the side opposite to a light receiving surface of the imaging element through a space between adjacent imaging elements, the method comprising the steps of: forming a first planarization layer which covers the external terminal on the light receiving surface, forming a second planarization layer on the first planarization layer, and forming a scintillator on the second planarization layer as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
